

# Sports & Recreation

Sports and Recreation are an important part of an effective and successful meeting program. Your Conference Planning Manager will assist you in planning these or any other activities.

**Golf:** Whether you are a weekend player or an aspiring professional, a day of golf in the Arizona sunshine is a special delight. We can provide guaranteed tee-times at many of the most prestigious championship courses in the “Valley of the Sun,” including two 18 hole courses surrounding our property. All offer complete practice facilities including a putting green, chipping green with practice sand traps and driving ranges. Most courses are semi-private clubs and provide fully equipped pro shops, well manicured fairways and greens, and beautiful clubhouses with personalized services.

**Tennis:** If you would like a relaxing game, a lesson or a tournament, our experienced staff is ready to help. The resort features four lighted courts adjacent to the Amansala Spa/Salon. Clinics, group or private instruction and tournaments with refreshments and prizes can easily be arranged. Equipment rental and the sale of some tennis supplies are also offered by the Resort.

**Amansala Spa/Salon:** Need to relax and unwind? Amansala means “peace and serenity,” exactly what you’ll find at our relaxing Spa/Salon.

The Spa services offered by our certified massage therapists are designed for a complete rejuvenation to nourish mind, body and soul. We provide a wonderful escape from everyday life with a variety of massages including Swedish, Deep Tissue, Aromatherapy, and Hot Stone massage. Private men’s and women’s health Spas include steam, sauna, and whirlpools. Appointments are required with a 24-hour cancellation policy.

**The Fitness Center:** Enjoy a total body workout with our fully equipped cardiovascular conditioning and strength training equipment featuring lifecycles, treadmills, and stair climbers. In addition, our center provides universal weight stations and free weights. Fitness classes including aerobics and stretch breaks and personal training sessions, are available upon request.

Have extra leisure time? Let us arrange a game of Ping-Pong, sand, or water volleyball.

**Swimming:** Our beautiful swimming facilities are open daily. Our large heated pool and whirlpool spa in the center courtyard are surrounded by comfortable lounge chairs for a relaxing afternoon of sunbathing. Our smaller exercise pool is located in the casita courtyard and, with advance notice, may be set up for water volleyball.

**Horseback Riding:** Take in the beauty of the Arizona desert by horseback. Several different stables are available for guided tours. Group and private lessons may be arranged for riders of all levels of ability.

**Bicycle Rentals:** Tour McCormick Ranch by bicycle and get a closer look at our Southwestern surroundings. Mountain bicycles are available for rental at the Amansala Spa/Salon.

**Desert Jeep Rides & Hummer Tours:** Four wheel drive trips through some of Arizona’s amazing deserts surrounding the Valley are a wonderful fun filled western experience. A desert excursion gives you the opportunity to traverse rugged trails viewing desert cacti and wildlife while learning some of the history of our area. A camera is a must for this trip of approximately four hours.

**Paintball:** One of the most popular activities for groups is Paintball. All equipment and instruction are provided for this “colorful” team sport.

**Valley Tours:** A wide variety of Valley tours are available to see the city, to shop or visit such well-known points of interest as the Heard Museum, Frank Lloyd Wright’s Taliesin and various Native American ruins. Ground tours to Sedona and/or the Grand Canyon can also be arranged.

**Teambuilding:** Teambuilding means, “playing with a purpose.” Whether you want to energize, unify, or celebrate with your team, we can design a program to meet your needs. We strive for interaction with fun, learning and laughter to create a memorable experience for you and your group.
